

The ABB FIA Formula E 2023 Cape Town E-Prix takes to the streets of the Green Point Precinct on Saturday, 25 February 2023.

Due to the unique nature of the race track - and to support construction and breakdown before and after the event - road closures will be in place for the safety of the public, crew, drivers and all in attendance.

If you reside or operate in the area, or are planning to travel, please take note of these road and lane closures and adjust your plans accordingly.
